Maria,

It's taking longer on this draft letter than I thought. I asked a staffer to draft a recap of our conversation and it's become a whole game of telephone and needs more work than I thought. One of those things where it would have been faster if I did it myself. Apologies for the delay.

Thanks, Maria. I do have a draft letter with our response that's been sitting in my inbox but it's been one of those weeks. I'll try and review and share with you later today or Monday. If you could cc me on the send to Harris, that would be great.

Morning Doug,

All set with briefing Gail. I will have a letter of response Monday from the Department that documents what I shared with you on the phone. My intent is to direct it to Michael Harris from Gail referencing the Pines Bach letter.

Let me know if you need something different.

Thanks,
Maria
